## Summer Leadership Academy 2012

We have merged the experience of international educational consultants and leading Canadian educators to create programs that are transformational in nature for students and teachers. From language study opportunities to intensive leadership training, offered in Canada or in selected host countries, all our programs are committed to respecting diversity and promoting international communication.

### *Greetings from the Program Director*

*Janet Ozenbrook-Stickney has many years experience as a teacher, principal and director of an international college in Toronto, Canada.*

It is a pleasure to present the **Summer Leadership Academy 2012** and invite you to join us in Turkey. Our wish is to offer an experience in which you will learn about the rich diversity of the world from one another, and develop communication and leadership skills that will contribute to your successful and meaningful future. Our Canadian teachers have been carefully selected to support English language development and critical thinking through insightful and creative approaches to learning. I hope you will find the summer program to be an enriching step in your life as you stretch your capabilities and expand your knowledge. Your new friends and new skills will last a lifetime. I can hardly wait to meet you in Antalya.

*Best regards,*

*Janet Ozenbrook Stickney B.A., B.Ed., M.Ed.*

Our Turkish partner is the **Antalya International College of Tourism** who will host the Summer Leadership Academy in 2012.

**A great framework for your future success ...**

**Build your skills while learning**

## PURPOSE

*A great framework for your future - develop leadership skills while learning English*

The purpose of the Leadership Academy is to develop personal confidence and leadership skills that can be applied to your selected areas of interest. The opportunity to meet, and learn from, other participants from a variety of countries and cultures will provide a unique educational experience.

*Join us if you want to be challenged to:*

- *solve problems creatively*
- *reason critically*
- *see new relationships*
- *express your ideas fluently*
- *motivate others*

By the end of the month long program, you will have:

- ◆ Confidence to make presentations and express opinions in English
- ◆ Experience working in teams and groups
- ◆ Insight into relevant issues that challenge individuals around the world
- ◆ Awareness of women's issues in a global context
- ◆ Understanding how you might take a leadership role to make an impact on your community
- ◆ A personal portfolio
- ◆ A variety of creative methods to express yourself

*It's not about power; it's about being empowered.  
It's not about being heard; it's about listening.  
And it is definitely about justice and active citizenship.*

**Leadership is the capacity to translate vision into reality.**

## UNIQUE PROGRAM FEATURES

***1. Canadian teachers, leaders in their home communities, have been specially selected to facilitate this innovative international language and leadership program.***

No need to travel across the globe! This English language program, organized by Canadian educators, is coming your way! Canadian teachers will use creative strategies to help you focus on self knowledge, cross cultural communication skills, and your personal vision of a leadership role to make your community a better place.

***2. English classes focus on developing confidence***

You will prepare and deliver presentations in English, and discuss ideas using relevant vocabulary. While reading and journal writing are part of the program, emphasis will be placed on oral expression of ideas, pronunciation and listening to build confidence using English.

***3. The Canadian Leadership Academy honours both young women and young men***

Girls will participate in the *Young Women of Promise* leadership program while the young men will attend their own *Leadership for Today and Tomorrow* classes. You will be encouraged to express yourselves verbally and through artistic and creative activities; and explore what leadership and social justice means to you.

***4. Practise your leadership style***

Under the guidance of experienced teacher-coaches, you will practise leadership roles in small group settings and through experiential learning activities. An examination of local and global issues, human rights, gender and racial equality and the responsibilities of citizenship will encourage deep thinking, compassion and a commitment to community service and diplomacy.

## MORE SPECIAL FEATURES

*Antalya offers many exciting recreational and cultural activities.*

In the beautiful landscape of seaside Antalya, choices for leisure activities are plentiful; the town calls out to come enjoy summer fun. You will tour cultural and historic landmarks with trained guides. Recreational activities include swimming at the beach or the pool; shopping, or arts and crafts workshops. Your day of learning and fun is followed by an evening meal and group activities to round out a perfect day. Saturday trips are included in the package. An optional trip to Istanbul is available.

*\*We are often inspired by examining the lives of talented people whose contributions have enriched the fine and performing arts, the sciences or our communities. Their creative work, the trends they initiated, and the enduring results of their efforts are worthy of study, as are their lives and the circumstances under which their work came to fruition.*

*A certificate ceremony on the last day of the program highlights the special learning that has taken place and each person's personal success story will be honoured.*

*Group activities provide opportunities for young people to learn how to help others feel important and valued, accept their contributions, keep discussions relevant, and occasionally follow rather than lead.*

**Courage...Responsibility...Vision...Inspiration**

## ADULT PROGRAMS

*Same great location but designed for an adult audience*

### **Program A—For teachers of English as a Foreign Language**

Teachers of English as a Foreign Language that are looking to refresh their teaching and learning strategies are invited to join the teachers' program. The course will be delivered by a Canadian professional educator who has experience working with elementary and secondary students and teachers in Toronto. Over 70 languages are spoken in the Toronto school system, one of the largest and most diverse school boards in North America. The course will encourage creative thinking, interactive methodologies and effective strategies for engaging students. Take advantage of the opportunity to connect with other teachers to share and learn from one another. Improved student learning and achievement is one of the goals of the course, along with another goal of supporting teachers to develop leadership skills for sharing learning and exemplary practices with colleagues.

*\* The option is available to include all meals, accommodation and tours.*

### **Program B— Adult English and Leadership program (19 and over)**

Examine your leadership style and apply your skills in small group activities. With lots of interactive exercises that focus on local and global topics of interest to you, the program will help you develop confidence using English to express your ideas and prepare for careers that require the use of English. The program will incorporate reading passages of current fiction and non-fiction English writers addressing issues of diversity, communication, and global themes. Opportunities for creative expression through the arts will add to the richness of the experience. Workshops will be available for those interested in studying in Canada or considering emigrating to Canada.

*\* All inclusive package same as youth program.*

**Build a bright future; build a better world**
